

NUTECH ENTERPRISES W.L.L

***Delivering Electro-Mechanical, Instrumentation systems,
Spare parts & Access Automation solutions***

INTRODUCTION

NUTEC ENTERPRISES W.L.L...

*F*or over two decades, Nutec has been a trusted partner and leading supplier of high-quality equipment and products for energy, infrastructure, and multi-use building projects across Qatar.

Originally established to support the Oil & Gas sector with reliable electrical, instrumentation, and mechanical systems, our expertise has expanded to serve a wide range of industrial and commercial developments. We proudly support both international and local contractors, delivering tailored solutions that meet the demands of today's complex construction environments.

At the heart of our success is a commitment to quality, reliability, and exceptional service. Our reputation is built on consistently meeting project goals with efficiency and precision - and always with a focus on client satisfaction.

Backed by a technically proficient team of engineers and sales professionals, we respond quickly and effectively to project challenges, helping clients avoid delays and keep execution on track. Our solutions are innovative, practical, and aligned with Qatar National Vision 2030, supporting the country's drive toward sustainable development

OUR BRANDS

STURDFIT

STURDFIT is a brand encompassing wide range, integrating time honoured quality & reliability with highly competitive pricing. Featured products: **PVC coated Flexible Conduit, Switch & Outlet boxes, Metal Enclosures, PVC Glands, Junction boxes, Metal-Clad Switch Sockets, Industrial plugs, SS coated & uncoated Cable ties, Nylon Cable ties, Cable Marker Tags, Constant force Springs, Insulated Terminals, Insulation Rubber Mats** with more products to come.

PARTEX (UK-SWEDEN)

PARTEX, a Swedish Company with daughter companies in UK and Poland among others, is the world's leading manufacturer of **Markers and identification products for Cable and pipes, SS, SS-Coated & Nylon Cable ties, Cable Terminals -Insulated & Uninsulated**. The products have LRQA & International Rail Industry Standard (IRIS) certifications and are in use in Major Projects like Qatar Rail, New Doha Port (NPP), Qatar General Electricity & Water (KAHRAMAA) and various Oil & Gas projects.

HAWKE (UK)

Hawke International is the world leader in cable connection and termination products for hostile & Hazardous environments, mainly used in onshore and offshore activities in the Oil & Gas & Petrochemical industries, Rail and industrial applications. Driven by an engineering background of over 50 years, Hawke products are zero-defect and therefore ensure Quality and reliability, defending against failure in crucial facilities and installations. Products: **Cable glands, Reducers and adapters, Junction Boxes**, etc.

CABEX (INDIA)

CABEX offer a wide range of Cable Glands to suit industrial & commercial requirements. They are manufactured at their state of the art plant in India to UK and Euro standards. Brass Glands & all accessories like **reducers, adapters, IP washer Nylon, SS serrated washers, PVC and LSF shrouds, locknuts, Earth tags** etc., are available. Nickel plated Glands can also be supplied as per client requirement

CETA FORM (TURKEY)

Over the last 47 years, Ceta Form has established its position as a leading manufacturer of hand tools -designing and producing high quality hand tools for the professional users in all sectors at their modern factory. In addition to their large domestic dealer network, Ceta Form has distributors in 45 different countries with a dedicated sales office in UK. The products offer a combination of stringent Euro standards and an unbeatable price advantage over the competition. Products: **Spanners, Sockets, Specialist automotive tools, Hand tools, Electrician & Electronic technician tools, Tool Cabinets & kits**

PANASONIC (THAILAND)

PANASONIC is an ISO 9001 & 14001 certified, UL listed world renowned manufacturer. Panasonic conduits feature high corrosion resistance due to superior galvanizing by in-line hot-dip process for greater protection against corrosion & clear anti-corrosion coating outside and higher grade epoxy coating inside. Products include **EMT Conduit Pipe and Fittings (UL, BS), Polyethylene-Lining Steel Pipe, Stainless Steel Conduit Pipe**.

SGI (INDIA)

Shree Gopal Industries is one of the leading manufacturers of Wiring Products under the brand name "SGI" since 1998. They manufacture Wiring Accessories like **Electrical PVC Trunking/ Casing-Capping, PVC Wiring Ducts/ PVC Cable Tie Mount, PVC Sleeves, PVC Marking Sleeve and Spiral Wrapping Sleeves** etc.

TURKUAZ
ELEKTROTEKNİK

AGRA TURKUAZ (TURKEY)

A 30 year old manufacturer of specialized electrical connectivity products headquartered in Turkey offers all type of Flexible Conduits and fittings. Major companies in Oil & Gas, Power Plants, Construction, Infrastructure, and Automation segments are the clients. Products include **Flexible steel conduits, Conduit fittings, Liquid-tight Conduit and fittings, Polypropylene Conduit and fittings, PVC Ex-Proof glands, Nylon Cable Glands** etc.

B bemis[®]

BEMIS (TURKEY)

Established in 1994 BEMIS Electric Company has developed to become the leader in industrial type of electrical products. Bemis offers high quality solutions for all fields in the industry by its Socket and Plug types. **Industrial IP44 & IP67 Plugs and sockets, Panel mounted Male & Female sockets, Industrial Extension Boxes and Extension Reels, Industrial Combination Boxes, PVC Enclosures** etc., are some of the products. It is certified by the ISO 9001:2008 Quality Management System.

KuDos

KUDOS (TAIWAN)

KUDOS, headquartered in Taipei, Taiwan specializes in manufacturing for the Global market **Hydraulic, manual & electric Tools** backed by years of experience & European technology. Nutec is teaming up with KUDOS in introducing high performance tools to Qatar like Hydraulic Cutters, Punch tool, Hydraulic pump, Ratchet Cutters & Crimpers, Cable tie tensioners etc.

ABB
ELECTRICAL PRODUCTS

ABB (SWITZERLAND)

ABB, a pioneering technology leader in Electrification, Motors, Generators and Industrial Automation, with a history of innovation spanning 130 years and now decidedly the world's leading player for industrial & residential clients in the segment. ABB offers a full range of low voltage solutions like **MCB, MCCB, ACB DBs, Control Panels, Switches and Sockets** to connect, protect and control a wide range of electrical installations, enclosures, electronic & electromechanical devices.

CELLPACK
Electrical Products

CELLPACK (SWITZERLAND - GERMANY)

CELLPACK combines Swiss innovative designs with German precision manufacturing. Products ranging from Qatar and Middle East approved Cast resin technology for highly insulative **low voltage underground and underwater Cable connections & protection** to the highly innovative COMPAX plug-in-sleeve for Medium voltage. Products: **Cast resin technology, Heat Shrink products**, Hybrid technology plug-in systems, Connecting technology products, tapes & Accessories.

FAAC
TECHNOLOGIES

FAAC (ITALY)

FAAC Italy, the safest and most reliable solution for all needs in automation and control of pedestrian and vehicle accesses, for both commercial and residential contexts. Products & Services: **FAAC automatic Gate & Glass Door Systems** installation (sliding & swing) - **Sliding gate-motor, Gate designing & Construction**, Installation & Commissioning. Installation of **Automatic Boom Barriers- Electromechanical Barrier & Hydraulic system and Bollards**, complete with after sales service by FAAC trained personnel.

WOER[®]

WOER (PRC)

ISO 9001 certified WOER, PRC Manufactures environment friendly, flame-retardant **heat shrinkable tubes** with quick-shrink characteristics and Zero Halogen components. The shrink factor is 50% at 120°C. Other products: **Heat Shrinkable End Caps, Repair Sleeves**

CRYSTAL EXPORTS (INDIA)

CRYSTAL is an ISO certified, UL listed Indian manufacturer of **copper Cable lugs** with a wide range including UL Listed long-barrel type lugs suited for Electrical distribution, panels and Transformers. Other products include **Solid Copper & Copper bonded earth Rods, brass Cable Glands & Earthing accessories.**

ONTIDES (INDIA)

An ISO 9001 certified Company, ONTIDES specializes in manufacturing Cable laying products. Products by ONTIDES adhere to strict Quality Standards to ensure performance & reliability. We Offer a wide range of **Cable laying & other equipment** from ONTIDES like Cable rollers, Hydraulic Drum jack, Fiberglass Cable pulling device, Pipe hanging supports, Powder Coated mild steel enclosures, etc.

IDEAL INDUSTRIES EMEA (USA)

IDEAL INDUSTRIES EMEA is part of the large family owned company IDEAL INDUSTRIES, INC., a global, diversified family business designing and manufacturing superior products and tools for professional tradesmen in the electrical, wire processing, data communications, aerospace, automotive and construction industries. Products include the only **precision Wire processing Tool of its time and Yellow 77 wire pulling lubricant and duct seal.**

SENBEN (PRC)

SENBEN is a China based Company established in 2005 specialized in industrial lighting, providing Explosion Proof Lighting solutions. They supply long-life, maintenance free and energy saving series of explosion proof and Tri-proof lighting fixtures with high-efficiency LEDs as light sources. Main products: **Industrial Explosion Proof Lighting** Products have ISO/CE/UL/FCC and other international certifications.

SENS LIGHTS (PRC)

Sens Lights are specialized in complete energy-saving solutions in LED chips SMD, COB, DOB and PCB, IC, LED, PIR sensors, Microwave sensors, Photocells, Solar modules, and electronic processors with more than 35 years' experience of producing electronics. There are several assembling units all over the world under their monitoring. The products include **Sensor Switches, and Detectors, light-control switches, light control system, solar lighting and power generators and multi-function systems, etc.**

THERM OWELD (USA)

Continental Industries, headquartered in Tulsa, Oklahoma, was formed in 1958 and is today a leading manufacturer of connectors for gas, propane, and water distribution service lines and exothermic welding products for **Electrical Grounding, cathodic protection, lightning protection, and electric railways.**

BAND-IT (UK)

BAND-IT clamps have been designed and manufactured to **Clamp, Manage Cable, Identify, and Insulate** for dozens of applications worldwide. BAND-IT products deliver robust performance and durability essential to harsh duty, mission-critical applications in traditional and emerging industries.

PLYMOUTH (SPAIN)

PLYMOUTH RUBBER GROUP develops, manufactures, and commercializes adhesive tapes and solutions for electrical insulation.

Their long experience in the industry allows them to be technologically, one of the more prominent companies in the global industry of electrical tape, highlighting Vinyl tapes, Rubber tapes, Mastics, and other large number of complementary tapes for the professionals and markets where they have presence.

NUTEC ELECTRICAL PRODUCTS

ENCLOSURES & EXTENSION BOXES

CABLE IDENTIFICATION & MARKING

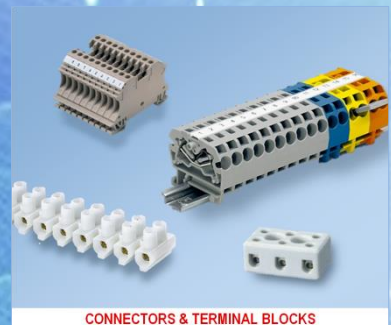

EX PROOF ADAPTER, REDUCER & JB

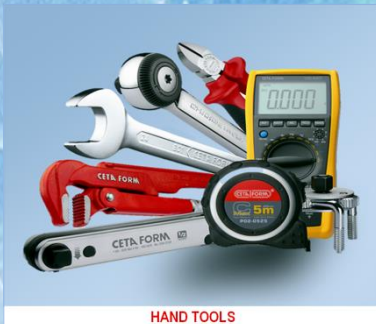

CABLE GLANDS & ACCESSORIES

TINNED COPPER LUGS & SS CABLE TIES

CONNECTORS & TERMINAL BLOCKS

HAND TOOLS

CONDUITS & ACCESSORIES

INDUSTRIAL PLUGS & SOCKETS

HYDRAULIC TOOLS

INDUSTRIAL LV SWITCHGEAR

CABLE JOINTING & TERMINATION

CABLE SLEEVES, WRAPPING & CAPPING

CABLE LAYING EQUIPMENT

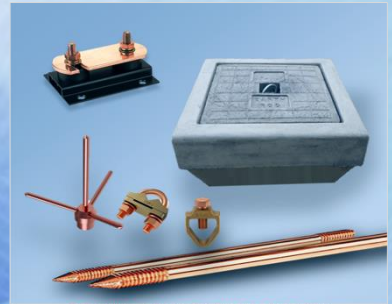

EX PROOF LIGHTING

LED LIGHTING

EXOTHERMIC WELDING & GROUNDING

EARTHING AND LIGHTNING PROTECTION

NUTEC AUTOMATION PRODUCTS

PARKING GATE BARRIER

AUTOMATIC SWING & SLIDING GATES

AUTOMATIC SLIDING GLASS DOOR

FLAP BARRIER

PARKING SAVER

HYDRAULIC RETRACTABLE BOLLARDS

NUTEC MECHANICAL PRODUCTS

BALL VALVES SS & NON-SS

FLANGES SS & NON-SS

GATE & BUTTERFLY VALVES SS & NON-SS

GRP MANHOLE COVERS

SS TUBE AND FITTINGS

LAMINATED BEARING PAD

HYDRAULIC ACCESS COVER

GRP DUCT

WALL GUARD

Our Trading Products:

KOPEX | CMP | 3M | KOMPRESS | BURN | FLEXICON | FURSE | WALLIS | BAND-IT | BICON | CADWELD | DYMO | SCAME
RAXTON | WEIDMULLER | GEWISS | PHOENIX | RAYCHEM | IDEAL | MEGGER | APPLETON | WOLF | PLYMOUTH | EATON/CEAG

NUTEC ENTERPRISES W.L.L
